

St. Johns Men's Golf Club Member Fact Sheet

- Club play is normally Tuesdays and Saturday Mornings. Tee times are adjusted seasonally.
- Other events such as club championship and match play will be communicated separately.
- Social lunches will follow rounds as scheduled throughout the year.
- Sign up for each round is sent to all members prior to each round via email. Members can accept, decline or choose to add a guest. You may also sign up through the golf genius app.
- All members are strongly encouraged to download the golf genius app. It is not required for sign up but all scoring and results are maintained and facilitated through golf genius.
- Please arrive 30 minutes before the first scheduled tee time. When possible tee times may be moved up.
- A fee of \$3 is required by all players regardless of game participation.
- A player must participate in the daily game competition before being able to participate in other games such as closest to pin, net skins and gross skins.
- Scoring for all groups must be maintained via written score cards provided to each group as well as electronically through golf genius. Separate individuals in each playing group should maintain each and routinely compare entries and scores.
- All play is strictly governed by USGA rules as well as local course rules. It is the player's responsibility to orient themselves to both or seek advice from a playing partner if unsure.
- You must putt everything out. No Gimmee's.
- Playing, scoring or rules disputes should be referred to a club board member playing that day.
- Results are calculated and awarded at the end of the round.
- Our league is intended to be fun and competitive. We expect members to enjoy themselves and compete with integrity and honesty. Members who choose otherwise may be dismissed from play.
