

## Join the St. Johns Golf Club Men's Club

We play Tuesdays and Saturday mornings all year long.

We play by the USGA rules of golf. So, no gimme putts since we all have missed that short two-footer.

All members are required to have a GHIN index. If you do not have a GHIN index then you will be required to play five rounds with the club prior to being able to compete in all the games.

Each round consists of a game of the day. Some of these games are: two man best ball net total, individual quota, individual net score, two man scramble, etc...

Each daily round will also consist of a net skins game, on each par three there is a closest to the pin game, and an optional gross skins game.

Each year we also have a two-day combined net score club championship, a match play tournament, and one day Ryder cups.

Guests of a member are welcome as long as there are openings that current members have not filled up for that round.

Plan to arrive at least 20 minutes prior to your scheduled tee time. This allows time to pay the course greens fee and cart/walking fee at the pro shop. You also have time to pay the league's \$10 or \$15 game (optional gross skin game) fee.

Members include working stiffs, semi-retired/retirees...of all ages...with flexible schedules...that enjoy the game of golf, play friendly games and enjoy good fellowship.

Drop off this form at the pro shop or email to [vincent\\_costablie@yahoo.com](mailto:vincent_costablie@yahoo.com)
